

Denali Photo Workshop

Provider: Alaska Mountaineering School

Length: 7 Days

Website

http://www.climbalaska.org/denali_photo_workshop.html

Both landscape and adventure sports shooting will be covered on this workshop. The workshop offers instruction from beginning concepts to advanced techniques. This course will combine 4 nights in local hotels and 2 nights camping in the field. Course locations will include Talkeetna, the Peters Hills bordering Denali National Park and the Matanuska Glacier. In addition to field sessions, a conference room will be used for the Talkeetna classes.
